AEU Forms Special Investigations Unit

AEU is pleased to announce the formation of a Special Investigations Unit which will be headed by Royce Ray. Royce also serves as Director of AEU's Subrogation Recovery Unit. AEU is excited to have an experienced attorney like Royce direct Special Investigations.

Fraudulent claims unnecessarily inflate the cost of insurance. Identifying fraudulent claims has always been important to AEU. Having Royce direct special investigations will enable AEU to place a sharper focus on these issues, thereby further driving down claims costs and reducing premiums. Royce will assist ALMA's FARA claims unit in identifying fraudulent workers' compensation claims that merit referral to appropriate law enforcement authorities for criminal prosecution.
