## SMALL SHIPYARD GRANT PROGRAM

The Office of Shipyards and Marine Technology, under the Department of Transportation announced in the March 4, 2009 Federal Register that \$98,000,000 is available for grants for capital improvements, and related infrastructure improvements at qualified shipyard facilities that will be effective in fostering efficiency, competitive operations, and quality ship construction, repair and reconfiguration. Grants are not to be used to construct buildings or other physical facilities or to acquire land unless approved. Grants may be used for maritime training programs.

The grants apply to only a few yards that have more than 600 production employees. Yards with more than 1200 production employees are not eligible. Other eligibility requirements and application information is available on the attached Federal Register notice.

The deadline for submissions is April 20, 2009.
